

You can always create your own tally chart in your exercise book and send a photo.

Chaffinch
+++++

Long-tailed tit
+++++

Coal tit
+++++

Collared dove
+++++

Goldfinch
+++++

Blue tit
+++++

Great tit
+++++

Starling
+++++

Greenfinch
+++++

Dunnock
+++++

Blackbird
+++++

Magpie
+++++

Woodpigeon
+++++

House sparrow
+++++

Robin
+++++

These are some of the birds that you might see. You can use the tally to help you count. You'll find lots of tips on identifying birds as well as their calls at rspb.org.uk/birdwatch

A bar graph to show: _____

This bar chart template is suitable for older children.

Garden Birds

This bar chart template is suitable for older children.

Big Birdwatch Counting

Now use your information to create a bar chart.

1. Which bird was the most common?
2. Which bird was the least common?
3. How many birds did you see altogether?
4. Are there any birds that you saw the same number of?
5. What is the difference between the most and the least number of birds you saw?
