THE INCREDIBLY COMFORTABLE, SUPPORTIVE FLEXIBLE CUSHION

Fed up of a stiff back after sitting? Now you can sit all day, on even the hardest chair, and still feel **comfortable!** Egg Sitter's **honeycomb design** is constructed of **Elasticore** that **absorbs** pressure points by collapsing in on itself. That's why even an egg won't break under pressure! Plus, Egg Sitter **stays cool** to the touch, and **allows air to circulate** underneath. Now long days at the office will be **more comfortable**, dinner **more enjoyable**, and painful car rides a thing of the past.

- ✓ **Supports** your backside and spine while you sit
- ✓ Honeycomb design **absorbs** pressure by collapsing in on itself
- ✓ So **flexible** you could sit on an egg and it won't break!
- ✓ Elasticore material **stays cool** to the touch and allows air to **circulate**
- ✓ **Super strong, durable** construction always retains its shape
- ✓ **Take it anywhere**, to the office or in the car
