

To use our observational skills to recognise locations around school.
To use positional language to describe where the locations are.

outside	inside	near to	next to	behind	in front	opposite
above	below	on top	around	through	up	down

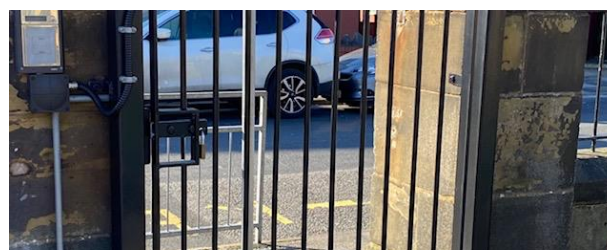

Can you recognise these pictures in and around our school?

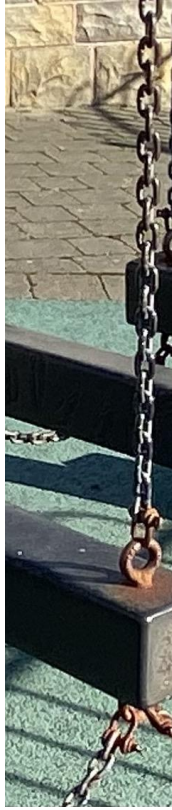

When you have finished you check with the full sized pictures.

Choose at least five pictures. Your child needs to explain where they are located in school using the positional language. Choose at least five pictures.

Eg. The table is outside. It's in the garden behind school. It's near to the playground.

Talk through the words above with your child first.

Now check with the full sized pictures.
