Be part of Baylight '24 parade and create Creatures From The Deep Lanterns

You will need

- Clear /milk plastic bottles any size
- PVA glue
- Sharpies (pens)
- Tissue paper
- String /Garden wire
- Tape
- Scissors
- Paint brush
- String of battery operated lights

Steps

1. Wash the bottle then let it dry thoroughly
2. Decorate with

Tissue Paper - Cut your tissue paper into wavy strips, quirky squares, wobbly circles to create your design. Paint the glue on to your bottle and place your tissue paper on creating your underwater scene. Cover the whole bottle with tissue paper or leave gaps to let the light out.

Sharpies - Let your imagination go wild as you draw and design creatures and plants from under the sea colouring in your bottle from top to bottom.

3. Once you've created your lantern, wrap string or garden wire around the neck of the bottle and tie it securely to create a handle.
4. Drop your string of lights into the bottle securing the battery on the outside of the bottle with tape.

and you're done!
