## Easter Story

Year 3 have been looking at the Easter story as part of their RE Christianity unit. Last week, they went on a walk through Easter at Stanley Road Baptist Church.

## 'Where the Wildings are'

Wishing you all a Happy Easter holiday from everyone at Sandylands

## School Choir

Our school choir were in action again last week at the local Lancaster and Morecambe Music festival. Thank you to so many of the parents for going along to support them. More photos to follow.

Our Pupil Parliament were out and about recently. We were invited to the 'Where the Wildings are' celebration event at Lancaster and Morecambe college. The 'Where the Wildings are' project was celebrating working with local schools for the last three years on biodiversity/nature projects. The children took part in workshops, a treasure hunt and a sustainability quiz. We even won some blackberry bushes for our school allotment!

Counselling is a form of talking therapy that allows you to discuss your personal circumstances and work through your thoughts and emotions with a trained counsellor.

The wait time for free talking therapies can be 18 weeks. Private online talking therapy can cost over £50 a time. West End Impact will provide a professional, one-to-one counselling service at an affordable suggested rate of £5 per session. We cover the majority of the cost of providing the counselling service. We kindly request that, if you are financially able, you contribute just £5 a session to help sustain this invaluable service.

Counselling is available for individuals as young as 11, to any age. For more information contact: [Fiona@westendimpact.org.uk](mailto:Fiona@westendimpact.org.uk) (for children and adults) or [Richard@westendimpact.org.uk](mailto:Richard@westendimpact.org.uk) (for adults only).
