## Pupil Parliament— 'Where the Wildlings' are celebrations

The pupil parliament were out and about today. They were visiting Lancaster and Morecambe college as part of the 'Where the wildlings are' celebration event. They were able to meet with a number of companies who are heavily involved in sustainability and encouraging wildlife as well as children from other local schools. The children took part in the quiz and managed to win some blackcurrant trees for school—well done!

We still have a few lovely wooden desks available for £15. Please contact the school office if you are interested.

## Easter Disco!

## Red Nose day 2024

We have had a great day for Red Nose day and raising lots of money in the process. A big thank you to all the children for their generosity and to Mrs Murby and Mrs Murphy for making all the cakes - they were delicious! We will let you know how much we have raised.

Counselling is a form of talking therapy that allows you to discuss your personal circumstances and work through your thoughts and emotions with a trained counsellor.

The wait time for free talking therapies can be 18 weeks. Private online talking therapy can cost over £50 a time. West End Impact will provide a professional, one-to-one counselling service at an affordable suggested rate of £5 per session. We cover the majority of the cost of providing the counselling service. We kindly request that, if you are financially able, you contribute just £5 a session to help sustain this invaluable service.

Counselling is available for individuals as young as 11, to any age. For more information contact: [Fiona@westendimpact.org.uk](mailto:Fiona@westendimpact.org.uk) (for children and adults) or [Richard@westendimpact.org.uk](mailto:Richard@westendimpact.org.uk) (for adults only).
